

Pepper Street and Canal Circular Walk

Start your walk from Pepper Street car park in Lymm Village Centre.

Turn Left out of the car park onto Pepper Street.

Walk to the end of Pepper Street passing Ravenbank Primary School on your right, the walk continues onto a Bridle footpath reaching Oughtrington Lane.

Turn right so you are facing up Oughtrington Lane, and after 50yds cross the road into "Spud Wood" which is sign posted.

Follow the path to the canal side and round the wooded area. You will then come across a metal kissing gate; the path takes you over the canal bridge from "Spud Wood" over to the tow path.

When you have crossed the bridge turn to the left, the canal tow path will take you all the way back to Lymm Village.

Exit the canal at Lymm Bridge, follow the footpath round past "Lymm Cross" and you are back at Pepper Street where you started your walk.

Please note Pepper Street car park is pay and display.
