

Push Chair , Wheelchair and Less Able Route

Park at St Mary`s Church Hall car park on Crouchley Lane.

Head towards Lymm Dam and you will see a well define path, keep to this top path all the way to Crossfield Bridge. Take time for a rest at the picnic area half way round.

Cross over Crossfield Bridge , then take a right turn onto Lakeside Road back to the A56 main road, or continue along the path which runs along the Dam but there is a slight incline on this route.

At the cross road turn right back to Lymm Dam. Here you will find hot food , ice cream van and toilets if required.

Continue straight ahead and back to Crouchley Lane where you started your route.

Route suggested by Peter Mott.

Approx time strolling 1 hour.

Approx 1 mile.
