141. Public Open Forum

141.1. Bus routes – route 35 – public representations were made regarding the service to Broomedge and its reduction since the changes were made earlier in the year. Cllr Carter to be involved on behalf of Cllr Buckley with the public. A residents' group to be set up to work with Cheshire Cat now the 6 month review period is open. Data should be available (including on punctuality) and will be requested directly from the company followed up with a meeting with Mr Wakerley.

141.2. Trees at The Cross – the gravel that was at the base of the trees has washed away due to rainwater rushing down Rectory Lane. Gullies are blocked again and only cleared every 3 years, which is insufficient to maintain use. They need clearing on a more regular basis.

141.3. Thanks to the council and especially Cllr Marks for their work and commitment to open the Green Gym in Ridgeway Grundy Park.

141.4. Litter in the village. Agenda Item 10 was taken at this point. Litter is a form of anti-social behaviour and the source of the problem must be tackled. CCTV will help but there is a need now to: clarify the timescale; promote CCTV on signs around the village as a deterrent to littering; promote Lymm as a litter free zone; youth engagement group will add this to their agenda for the next meeting; continue with the Saturday morning litter picker; Sunday morning litter picker has just been appointed; PCSOs need to be involved in liaising with young people at The Cross.

141.5. Welcome to the new Deputy Clerk, Sarah Morgan.

141.6. Following on from the PCSO report regarding safety and speeding, it is a real issue in the village. Public reports should be made directly to the police so that TrueCam can be engaged. Lymm's cat, Daisy, sadly suffered at the wheels of a car, potentially speeding.

148. Precept, Audited Accounts and Budget Clarification

Clarification was given on the 2018-19 audited accounts. PKF Littlejohn audited the accounts and were completed on 25 September 2018. Two recommendations were made - to separate out the council tax grant and the precept in 2019-2020 accounts and to ensure the correct amendments are posted.

The council tax grant to the parish for 2019-20 will be reduced by a proposed £8,049 from 2018-19. The precept amount will therefore need to be adjusted accordingly potentially increasing the council tax bands for the parish. This will be confirmed in January 2019.
