

LYMM PARISH COUNCIL NEWSLETTER

The new Parish Council took office on 13th May. It has been elected for three years, rather than the usual four, to adjust for the extra year the previous Parish Council served due to Covid.

It is good to see a perfect gender balance and some younger Parish Councillors joining us this time. Seven councillors were re-elected and five are new to the Parish Council.

The new Parish Council is considering its priorities for the three years based on what the public told candidates during the elections.

There is a great deal of concern about protecting the green belt over the next 20 years. The Parish Council will remain a member of the South Warrington Parishes Group which is gathering, and submitting, evidence to modify the Warrington Local Plan to minimise the loss of green belt and ensure sustainable development.

Road and pavement repairs, as well as traffic regulation including speeding, parking and HGVs in the village are an important concern. The Parish Council will continue engaging with the Highways Department at Warrington and the Police to get changes that are wanted in the village.

During the Covid crisis there has been an increase in volunteering around the village both to protect the vulnerable and to help maintain the environment. There is also a continuing concern about the impact activities in the village can have on climate change.

The Parish Council will be supporting volunteer groups in these activities and providing a service itself in collaboration with the Borough Council to ensure that we get the best value from volunteer efforts and the work of the Councils.

The Parish Council will be discussing and taking decisions on these three priorities during its meetings in June and July to put together a strategic programme of work.

If there is anything that you would like the Parish Council to consider please contact Kerry Duffin, our clerk on the details below.

Cllr Bob Barr.
